

## 2020 Capacity Fund Final Report

1. Was your project successful in achieving the project outcome identified in your application?

Yes  No

a. If no, please provide an explanation

2. The Capacity Fund places greater focus on the outcome of capacity building rather than the process of capacity building. Explain the outcome and the tangible outputs that were achieved as a result of this funding.

<b>2020 Capacity Fund Request</b>				
<b>Activity</b> (List key activities of the initiative)	<b>COVID-19 Prioritized Populations Benefitted</b> (E.g. Low-income seniors)	<b>Outcome</b> (E.g. As a senior serving agency, we developed a digital marketing strategy to reach isolated seniors in Brampton (Ward 3 & 4). As a result, the overall agency enrolment will increase by 50% and reduced instances of isolation and loneliness by seniors during COVID-19)	<b>Project Outputs</b> (E.g. Implemented a Digital Marketing Strategy)	<b>Project Reach</b> (E.g. Approximately 200 seniors residing in Brampton have access to our programs and services)

3. Were all the project funds used?

Yes

No

If no, please indicate the surplus dollar amount \$\_\_\_\_\_

*Note: As per your CIP contractual funding agreement, please contact a CIP Specialist to make arrangements to return unspent funds.*

4. Capacity building efforts are best sustained when monitoring and evaluation take place. Briefly describe how the capacity building initiative that you completed has been embedded into your organizational structure.

5. Please summarize the impact of your initiative. How has it strengthened your organization's overall ability to serve the community.
