

Wastewater Detectives

We will be learning more about what we can or cannot flush down or pour down the drains.

You will become a wastewater detective and ask a partner these following questions.

Write down an **F** if you think these items can be flushed down the toilet.

- 1) Dental Floss _____
- 2) Wet Wipes _____
- 3) Toilet Paper _____
- 4) Unused/expired medication
- 5) Cotton Swabs & Cotton Balls _____
- 6) Bandages _____
- 7) Fats, oils, and grease _____
- 8) Pet Goldfish _____
- 9) Hair _____
- 10) Small Toys _____
- 11) Hazardous Products (paint thinner and other chemicals) _____
- 12) Paper Towels _____
- 13) Rags _____
- 14) Diapers _____
