## Water Meter Reading:

Check out this quick video on how to read your water meter:

- Video: Reading your meter (Length of video: 2.27 minutes)
https://www.youtube.com/watch?v=xPapGbWk9rs

Beginning of the week: $\qquad$
End of the week: $\qquad$

## Water Pledge with Family:

Write down 2 ways to save water in your home?
-
-

## Reflection:

- Were there any values that surprised your family after completing the audit?
- Why should your family conserve water?
- Discuss how your family can look at ways to save water around the home
- Commit to taking shorter showers
- Using dishwasher with only a full load
- Fill up the sink to wash dishes by hand, instead of leaving the tap running
