			Figure 2 in the Appendix).		
2	1	1.2	The <i>Region of Peel</i> Official Plan applies to the combined areas of the City of Brampton, the City of Mississauga, and the Town of Caledon within the municipal boundaries as they existed on December 31, 2009. In portions of <i>Peel</i> , such as the areas covered by the Growth Plan, the Niagara Escarpment Plan, the Oak Ridges Moraine Conservation Plan, the Greenbelt Plan, and the <i>Parkway Belt West Plan</i> , specific provincial plans are in effect. In the event of a conflict, these provincial plans take precedence over this Plan (see Figure 2 in the Appendix).	Section 1.2 is modified by inserting “Peel Region recognizes that the Lake Simcoe Protection Plan, prepared in accordance with the <i>Lake Simcoe Protection Act, 2008</i> , came into effect on June 2, 2010. The Lake Simcoe Protection Plan is a watershed-based plan that provides a roadmap to help restore and protect the health of Lake Simcoe. Peel Region shall review the Lake Simcoe Protection Plan and incorporate policies to enable its implementation through a future Official Plan Amendment.” at the end of Section 1.2.	<p>Section 1.2: “The <i>Region of Peel</i> Official Plan applies to the combined areas of the City of Brampton, the City of Mississauga, and the Town of Caledon within the municipal boundaries as they existed on December 31, 2009. In portions of <i>Peel</i>, such as the areas covered by the <u>Lake Simcoe Protection Plan</u>, Growth Plan for the Greater Golden Horseshoe, the Niagara Escarpment Plan, the Oak Ridges Moraine Conservation Plan, the Greenbelt Plan, and the <i>Parkway Belt West Plan</i>, specific provincial plans are in effect. In the event of a conflict, these provincial plans <u>and policies</u> take precedence over this Plan (see Figure 2 in the Appendix).”</p> <p><u>Peel Region recognizes that the Lake Simcoe Protection Plan, prepared in accordance with the <i>Lake Simcoe Protection Act, 2008</i>, came into effect on June 2, 2010. The Lake Simcoe Protection Plan is a watershed-based plan that provides a roadmap to help restore and protect the health of Lake Simcoe. Peel Region shall review the Lake Simcoe Protection Plan and incorporate policies to enable its implementation through a future Official Plan Amendment.”</u></p> <p>Subsequent modification to Section 7.9.2.14:</p> <p>“Undertake a comprehensive review periodic reviews of this Plan as required by the Planning Act in order to:</p> <ul style="list-style-type: none"> a) ensure that policies remain realistic and responsive to changing environmental, social, economic, financial, technological and political circumstances; b) make policy adjustments to ensure that objectives and policies in this Plan are being met; and c) <u>ensure the Plan conforms with any provincial plans that are in effect, has regard to matters of provincial interest, and is consistent with provincial policy statements.”</u>
3	3	2.1.1	One of the appropriate frameworks for these efforts is the establishment of a set of environmental policies in this Plan, to be supported and	Section 2.1.1 is modified by inserting “, the Lake Simcoe Protection Plan, the Parkway Belt West Plan,” after the words “the Greenbelt Plan.”	Section 2.1.1: “One of the appropriate frameworks for these efforts is the establishment of a set of environmental policies in this Plan, to be supported and supplemented by environmental policies in the three <i>area municipal official plans</i> , the Greenbelt Plan, <u>the Lake Simcoe Protection Plan and the Parkway Belt West Plan.</u> ”

PROPOSED SETTLEMENT BETWEEN THE REGION OF PEEL AND THE PROVINCE REGARDING REGIONAL OFFICIAL PLAN AMENDMENT NUMBER 24 (ROPA 24)

Modification #	Amendment #	ROP Section #	Adopted Policy	Draft MMAH Modification	Final Policy with Modifications
			supplemented by environmental policies in the three <i>area municipal official plans</i> , the Greenbelt Plan.		
4	6	2.2.10	The Greenbelt Plan sets out three geographic specific policies that apply within the Protected Countryside: the Agricultural System, the Natural System and Settlement Areas. Each of these areas has its own set of geographic specific policies as well as general policies that apply. Within <i>Peel</i> , the Agricultural System includes prime agricultural and rural areas. The Natural System identifies lands that support both natural heritage and hydrologic features and functions. Both systems maintain connections to the broader agricultural and natural systems of southern Ontario. The settlement areas, which are identified as Villages and Hamlets, vary in size, diversity and intensity of uses, and are found throughout the Protected Countryside. While providing permanent agricultural and environmental protection, the Greenbelt also contains important natural resources and supports a wide range of recreational and tourism uses, areas and opportunities.	Paragraph 2 of Section 2.2.10 is modified by inserting “that are mapped on Schedules B and D” after “agricultural and rural areas.”	Paragraph 2 of Section 2.2.10: “The Greenbelt Plan sets out three geographic specific policies that apply within the Protected Countryside: the Agricultural System, the Natural System and Settlement Areas. Each of these areas has its own set of geographic specific policies as well as general policies that apply. Within Peel/Peel , the Agricultural System includes prime agricultural and rural areas <u>comprises prime agricultural areas, which are shown on Schedule B, and rural areas, which are designated in the area municipal official plans.</u> The Natural System identifies lands that support both natural heritage and hydrologic features and functions. Both systems maintain connections to the broader agricultural and natural systems of southern Ontario. The settlement areas, which are identified as Villages and Hamlets, vary in size, diversity and intensity of uses, and are found throughout the Protected Countryside. While providing permanent agricultural and environmental protection, the Greenbelt also contains important natural resources and supports a wide range of recreational and tourism uses, areas and opportunities.”
5	6	2.2.10	Adding new paragraph after the following paragraph:	Section 2.2.10 is modified by inserting the following paragraph after the fifth paragraph: “Within the Parkway Belt West Plan Area, the	No modification

			ground and surface water in accordance with provincial policy and the requirements of this Plan.		
28	6	2.2.10.4.17 (2.2.10.4.24)	Direct the City of Brampton and the Town of Caledon to identify <u>key natural heritage features</u> and <u>key hydrologic features</u> in accordance with criteria established by the Province where such identification is technically feasible, unless municipal criteria achieve the same objective in which case the municipal criteria will apply.	Section 2.2.10.4.24 is modified by deleting “where such identification is technically feasible, unless municipal criteria achieve the same objective in which case the municipal criteria will apply” after “criteria established by the Province.”	New Section 2.2.10.4.24: “Direct the City of Brampton and the Town of Caledon to identify <u>key natural heritage features</u> and <u>key hydrologic features</u> in their official plans, in accordance with approved criteria established by the Province where such identification is technically feasible unless municipal criteria achieve the same objective in which case the municipal criteria will apply. The policies and criteria for the identification of Core Areas of the Greenlands System also apply in conjunction with provincial criteria provided that they achieve or exceed provincial objectives. Within the Greenbelt Plan Area, provincial criteria only apply to the identification of <u>key natural heritage features</u> within the Natural Heritage System and to <u>key hydrologic features</u> throughout the Protected Countryside, except within settlement areas. Within <u>settlement areas</u> in the Protected Countryside <u>key natural heritage features</u> and <u>key hydrologic features</u> shall be identified in accordance with municipal criteria. In the absence of approved provincial criteria municipal criteria will apply.”
29	6	2.2.10.4.18 (2.2.10.4.25)	Direct the City of Brampton and the Town of Caledon to include <u>development</u> and <u>site alteration</u> policies for <u>key natural heritage features</u> and <u>key hydrologic features</u> in their official plans in accordance with the policies of this Plan, and in particular Section 2.3.2.5, including policies for any associated <u>vegetation protection zone</u> and requirements for natural heritage evaluation and hydrological evaluation, as detailed in the Greenbelt Plan.	Section 2.2.10.4.25 is modified by replacing “Section 2.3.2.5” with “Sections 3.2.4.4 and 3.2.4.5 of the Greenbelt Plan and Section 2.3.2.5 of this Plan.”	No modification.
30	- (6)	2.2.10.4	Inserted new section; renumbered subsequent policies accordingly	Section 2.2.10.4 , is modified by inserting Section 2.2.10.4.26 which reads “New buildings and structures for agricultural uses will be required to provide a 30 metre vegetation protection zone from a key natural heritage feature or key hydrologic feature in accordance with the Greenbelt Plan.”	New Section 2.2.10.4.26: “Direct the Town of Caledon and the City of Brampton to include policies in their official plans to indicate that new buildings and structures for agricultural uses will be required to provide a 30 metre wide vegetation protection zone from a <u>key natural heritage feature</u> or <u>key hydrologic feature</u> , but may be exempted from the requirement of establishing a condition of <u>natural self-sustaining vegetation</u> if the land is, and will continue to be, used

Appendix B PROPOSED SETTLEMENT BETWEEN THE REGION OF PEEL AND THE PROVINCE REGARDING REGIONAL OFFICIAL PLAN AMENDMENT

Proposed Settlement Between the Region of Peel and the Province Regarding Regional Official Plan Amendment

Number 24 (ROPA 24)

August 11, 2011

Table 3: Population, Household and Employment Forecasts for Peel¹						
Municipality	2021			2031		
	Population²	Households	Employment	Population²	Households	Employment
Brampton	635,000	184,000	280,000	727,000	214,500	314,000
Caledon	87,000	28,000	40,000	108,000	33,500	46,000
Mississauga	768,000	253,000	500,000	805,000	270,000	510,000
Peel	1,490,000	465,000	820,000	1,640,000	518,000	870,000

Notes:

¹ The Province is reviewing the forecasts included in Schedule 3 of the Growth Plan. After Schedule 3 is amended, Table 3 will also need to be amended.

² Population figures include the 2001 Census undercount of 4.2%.
