Project 13-1375 Assignment CD

PROJECT UPDATE WATERMAIN REPLACEMENT AND IMPROVEMENT MADISON STREET AND MEDICI PLACE CITY OF BRAMPTON

Update

- The new watermains on **Madison Street and Medici Place** have now been installed. The next phase is to commission the watermains and put them into service. Properties on these streets will now have their individual water lines transferred from the old watermains to the new watermains.
- A new water service line will be brought up to the property line where a new water service box will also be installed. Where possible your water line will be brought up to the property line using trenchless methods. However, **the area around the water service box will be excavated.**

When?

- We expect to start work on or about the week of May 22, 2017 on Madison Street and Medici Place.
- The project should be completed by the end of October 2017. All work is under warranty for two years from the completion date.
- We will start restoring the road when all water system replacements and transfers are complete, and as weather permits.

Working Hours

- Our contractor's normal working hours are from 7 a.m. to 7 p.m. These hours are consistent with the local municipality's bylaws. We understand this may cause some inconvenience, but a shorter working day would mean the project would take longer to complete.

Interrupting Your Water Supply

- It is our goal to let you know 48 hours (2 days) in advance if we need to shut off your water. Occasionally, we may have to reduce this notice to 24 hours.
- If we have to shut off your water because of an emergency, we will do everything we can to fix the problem as quickly as possible.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any concerns or special needs.

How Did We Do?

- After we've finished, we will give you a postage-paid card for you to rate our work.
- Please complete the card and mail it back to us.

Thank you!

Melvin Gonzalez
Project Manager
