Project 14-1165

## **NOTICE OF TEMPORARY ROAD CLOSURE Watermain Replacement and Improvement Mayfield Road**

The Region of Peel has been working in your neighborhood to replace the watermain along Mayfield Road. This work is required to maintain and improve existing water services.

At this stage in the project, the new watermain needs to be installed across McVean Drive. A temporary road closure will be required to complete this work.

### **Traffic impacts**

McVean Drive will be closed to all through traffic at the intersection with Mayfield Road, approximately 40 m south of the intersection. This temporary road closure is expected to occur from **Monday, May 16<sup>th</sup> to Wednesday, May 18<sup>th</sup>**. During this time, a detour route will be clearly marked with road signs. Please see the attached map for the detour route. Residents who live on the street will have access to their homes. Access to businesses will be maintained. No through traffic will be allowed and there will be no on-street parking. Access to Squire Ellis Drive will be maintained.

This road closure may cause traffic delays. We ask for your patience and will try to minimize any delays.

### **Brampton Transit impacts**

During the road closure, Brampton Transit will temporarily re-route their Bus Route #31 onto John Carroll Drive. The bus stop at Squire Ellis Drive and Trail Rider Drive will be closed during the McVean Drive road closure. Further details will be provided by Brampton Transit.

### **Keeping you informed**

Weather and other unpredictable events may change the date of these traffic impacts. Receive timely project updates right to your inbox by signing up for e-notices at [peelregion.ca/construction](https://peelregion.ca/construction).

Information on this construction project can also be found at [peelregion.ca/pw/construction/bram/14-1165-contract3.asp](https://peelregion.ca/pw/construction/bram/14-1165-contract3.asp)

### **Safety during construction**

Construction zones require extra caution to keep everyone safe – pedestrians, cyclists, drivers, and construction workers. When driving, walking, or biking through the construction area, please be aware of your surroundings, watch for construction crews and other road users, slow down, account for delays, and consider other routes if possible. To learn more about how to stay safe in construction zones, visit [peelregion.ca/construction/workzonesafety](https://peelregion.ca/construction/workzonesafety).

Thank you for your patience as we complete this necessary work. This work will allow us to continue providing you with high quality tap water. If you have any questions, please contact us.
