## PROJECT UPDATE

### WATERMAIN REPLACEMENT AND IMPROVEMENT ON BARTLEY BULL PARKWAY FROM ERINDALE CRESCENT TO LOCKTON CRESCENT CITY OF BRAMPTON

#### Update

- The new watermain on Bartley Bull Parkway have now been installed. The next phase is to commission the watermains and put them into service. Properties on these streets will now have their individual water lines transferred from the old watermains to the new watermains.
- A new water service line will be brought up to the property line where a new water service box will also be installed. Where possible your water line will be brought up to the property line using trenchless methods. However, **the area around the water service box will be excavated.**

- We expect to start work on or about July 31, 2017.
- The project should be completed before September 1, 2017. All work is under warranty for two years from the completion date.
- We will start restoring the road when all water system replacements and transfers are complete, and as weather permits.

### Working Hours

- Our contractor's normal working hours are from 7 a.m. to 7 p.m. These hours are consistent with the local municipality's bylaws. We understand this may cause some inconvenience, but a shorter working day would mean the project would take longer to complete.

### Interrupting Your Water Supply

- It is our goal to let you know 48 hours (2 days) in advance if we need to shut off your water. Occasionally, we may have to reduce this notice to 24 hours.
- If we have to shut off your water because of an emergency, we will do everything we can to fix the problem as quickly as possible.

### Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any concerns or special needs.

### How Did We Do?

- After we've finished, we will give you a postage-paid card for you to rate our work.
- Please complete the card and mail it back to us.

Thank you!
