

Projects: 18-2252 & 15-1345

**PROJECT UPDATE  
HASSALL ROAD AND MOLLY AVENUE  
CITY OF MISSISSUAGA**

**What are we doing?**

- Temporary road restoration on Hassall Road from the intersection of Cawthra Road and Hassall Road to the intersection of Hassall Road and Holden Crescent (East).
- Permanent road restoration on Hassall Road from west of the intersection of Hassall Road and Holden Crescent (East) to Molly Avenue.

**When?**

- The above restoration work should be completed before November 14, 2020.
- We will return to your street next spring to complete the permanent restoration on Hassall Road from the intersection of Cawthra Road and Hassall Road to the intersection of Hassall Road and Holden Crescent (East).

**Who can you call?**

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Grace Krasowski	Project Manager	905-791-7800, ext. 7820
Brandon Vandermeer	Inspector	905-791-7800, ext. 3246
Avalon Myers	Project Ambassador	416-457-3889
<b>Technicore Underground Inc.</b> will do the work, under contract to the Region of Peel		
Contact Person	Responsibilities	Telephone Number
Khaled Elnabolsy	Project Manager	416-770-0457

**Traffic and Parking Control**

- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.

**Driveway Access**

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- We will make sure businesses have access at all times.
- Please call the Project Manager if you have special needs related to access or business hours.

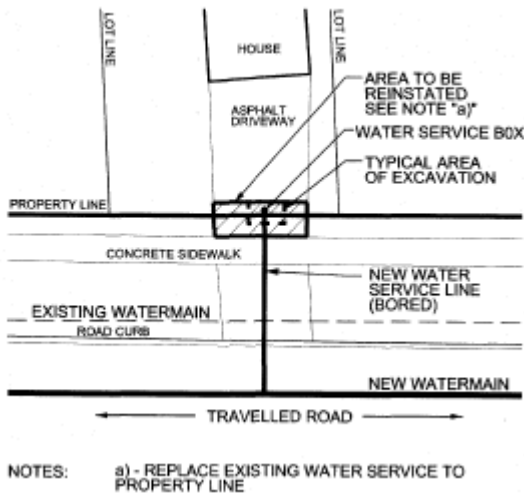

**Replacing and Taking Care of Your Sod**

- The contractor will take care of any sod we replace for 30 days.
- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- We will replace your sod as soon as we can, but there may be a short delay.

- It is very common for the work area to settle a bit following construction. If you notice any settlement, please let the project manager or inspector know and we will ensure the contractor fixes it.

### Repairing Your Driveway

- If we have cut your driveway, we will repair the asphalt in the disturbed area from edge to edge across the driveway. Unfortunately the Region **cannot** completely replace your driveway.
- We will repair your driveway as soon as we can, but there may be a short delay.

- If you would like to have the rest of your driveway paved at this time, please either contact the contractor named on the front of this letter. The contractor will then refer you to the subcontractor being used for this project. Please **do not** accept direct solicitation from any contractor telling you that they have been retained by the Region. Please remember this is your option. If you choose to do nothing, **we will repair all areas damaged** by our construction; however, we are unable to completely replace your driveway.

### Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- All the project notices are online at [peelregion.ca/pw/construction/miss/15-1345.htm](https://peelregion.ca/pw/construction/miss/15-1345.htm)
- Follow [Peel Public Works on Twitter](#) for service updates and changes.
- Please call the project manager or inspector if you have any problems or special needs.

Thank you!  
 Grace Krasowski  
 Project Manager, Wastewater Division  
 905-791-7800, ext. 7820

### Construction statement regarding COVID-19

Construction is an essential service. We're keeping employees, contractors and the community safe by complying with provincial regulations, physical distancing, using PPE and adjusting work schedules & shifts.
