Project 18-2252

Sidewalk on North-east Corner of Cawthra Road and Bloor Street

The **sidewalk** on the north-east corner of Cawthra Road and Bloor Street will be **closed for up to six weeks** while we work on the construction compound.

- We will **remove the wooden hoarding** this week.
- Next, we will **check for underground utilities**. You may hear some **noise** as a hydrovac truck exposes underground utilities so we can verify their location.
- We will then replace the wooden hoarding with a higher **concrete noise wall** to protect you from construction noise from within the compound. This work will make some noise.
- Our working hours will be **Monday to Friday, from 7 a.m. to 7 p.m.**

If you have any questions or concerns, please let me know. I'll do my best to help.
