CONSTRUCTION WORK AT BLOOR STREET / MISSISSAUGA VALLEY BOULEVARD

- We are installing a 1200mm (4 feet) sanitary sewer by tunnelling under Bloor Street between Mississauga Valley Boulevard and Cawthra Road. We will be working from **7 a.m. to 3 a.m., five days a week**. The work should be completed by mid-August, weather permitting.

WHAT CAN YOU EXPECT?

- We have placed high concrete walls around the compound to protect residents from noise and dust. You may, however, hear some construction noise from our equipment. We will do our best to keep noise to a minimum, especially at night.
