15-2905 – Assignment 5

**PROJECT UPDATE
PUMPING STATION UPGRADES
FIFESHIRE COURT
CITY OF MISSISSAUGA**

What are we doing?

- After various delays, works at upgrading the Fifeshire Court sanitary sewer pumping station upgrades are underway.
- Works will take about a month to complete.
- Following construction, we will clean up the work area and leave the area in a safe condition for the rest of the winter.
- Final restoration will take place in the spring, when weather permits.
