

Burnhamthorpe Water Project

What's New?

November - December 2021 Residents' update: Burnhamthorpe and Central Parkway site

Hello neighbours: This is our latest bi-monthly update on the progress of the work at our site across the street.

Work completed so far:

- | | |
|--|-----------------------|
| 1. Site setup and utility relocations | Completed fall 2019 |
| 2. Shaft excavation | Completed winter 2020 |
| 3. Tunnel mining and watermain pipe installation | Completed summer 2020 |
| 4. Chamber outer wall construction | Completed fall 2020 |
| 5. Chamber interior walls, structures, roof support beams and panels | Completed spring 2021 |
| 6. Watermain Grouting | Completed spring 2021 |
| 7. Install chamber interior steel structures and watermain pipe components | Completed summer 2021 |

Ongoing work in the next two months:

1. Putting watermain in service & connections
2. Install roof support beams, panels, and top slab
3. Electrical installations

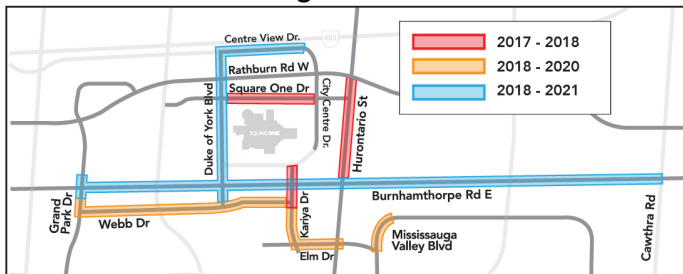

We anticipate our work will be done by the end of 2021. Your patience is appreciated as we build the necessary water infrastructure to support Mississauga's growing downtown core.

Pressure Testing 1500 Watermain

Installation Roof Beams & Electrical Conduits
